## World-Class Partnership with Magdalen College School (MCS) Oxford

Prestigious UK institution with 500 years heritage. MCS, with Sunway International School (SIS), offers its academic expertise outside of UK.

## The best of British Education Tradition and Excellence via Sunway in Malaysia

**MCS - SIS** offers students the opportunity to access MCS's expertise and excellence in GCSE and A Level examinations and progression to top-tier universities across the world.

**Sunway's** commitment and reputation in delivering the Cambridge International Programme is based on Sunway College's strong track record as Best Performing A Level Programme in Malaysia.

Join the **MCS-led** A Level Programme at Sunway International School - Study in Asia and be an MCS Oxford graduate.

## MCS Expertise, SIS Campus

Sunway students access MCS's world-renowned GCSE and A Level curricula

With SIS's conducive and enriching school environment, students benefit from the best of teaching and learning practices, sharing of experiences, extra-curricular programmes, academic guidance, and pastoral care that will enhance students' development and achievement.

**MCS** A 500 Year  
legacy of academic excellence

Preparation for placement in  
top-tier universities worldwide

# CAMBRIDGE A LEVEL MCS-LED SIXTH FORM PROGRAMME

## Inaugural Intake

25 August 2025

## Duration

2 years

## Exam

**AS Exam**  
May/June 2026

**A2 Exam**  
May/June 2027

## Entry Requirements

- 5 credits in IGCSE, SPM or equivalent.

Our MCS-led A Level Programme enables students to achieve their best in their chosen subjects and pursue relevant career pathways at university. Over 25% of MCS Sixth Form students achieve places at Oxford and Cambridge, with an overwhelming majority of the remainder going to the Russell Group universities.

MCS is one of UK's top schools for securing places at UK's elite universities. Based on 2024 results, 95% of grades were awarded at A\* -B, with 81% at A\* -A and 42% at A\*. In addition, 47 pupils – more than a quarter of the year group – attained 3 A\*s or more while 19 pupils achieved 4 A\*s or more.

## AS Level & A Level programme to develop student's knowledge, understanding and skills through:

- In-depth study and subject mastery
- Learning to work independently
- Applying knowledge and understanding to new and familiar situations
- Handling and evaluating different types of information sources
- Thinking logically and presenting ordered and coherent arguments and explanations

## Personalised Learning Experience

- Teacher-directed, customised timetable tailored to meet student's needs.

## Career Profiling & Coaching

- Career profiling via data-driven techniques powered by AI for preparation into universities and career pathway planning.

## Real-world Immersion Programme

- Selected students (according to set criteria) participate in an immersion programme at MCS Oxford.
- Held twice per academic level/year, each session includes a 1-week classroom immersion to provide real-world learning exposure.

## Waynflete Programme

- Additional academic development and career guidance through the Waynflete support framework ensure students are well-prepared for the challenges of university-level research and studies beyond.

## Mentorship & Guidance

- Weekly sessions with a dedicated tutor to monitor progress and provide support and guidance.
- Industry and internal coaches to identify students' strengths, ambitions and goals.

## Subjects

To facilitate successful entry into university, students are advised to take 3 subjects and may choose to take more.

- Biology
- Chemistry
- Physics
- Mathematics
- Psychology
- Economics
- Computer Science

*\* The A Level subjects listed here are subject to change.  
Please consult our Admissions Office for the latest offerings.*
